Dear Sir

Pioneer Communications

We have worked with Chris Griffin of Pioneer Communications over the last four months, installing an NFC Call Monitoring solution for our business.

We have been very impressed with the dedication and professionalism that Chris has demonstrated in ensuring that this new and relatively unproven technology was successfully installed. Nothing has been too much trouble and whilst there are still a few problems to resolve, we are confident that we will be well supported through the inevitable challenges that lie ahead.

Yours sincerely

A handwritten signature in black ink that reads 'Mike Garrod'. The signature is written in a cursive style with a long horizontal stroke at the end.
