

BlackBerry Storm 2

The new BlackBerry Storm 2 exceeds expectations by delivering the perfect device to mix business and pleasure. With WiFi and 3G connectivity, email and social networking and a newly enhanced touch screen the BlackBerry Storm 2 is taking it all in.

It's never been easier to do two things at once. Your BlackBerry Storm 2 smartphone sends and receives email from up to ten accounts, lets you edit documents and get directions using GPS. And it does it all without skipping a beat - even while you're on the phone.
